DECLARATION OF MAUREEN HARROLD IN SUPPORT OF UNOPPOSED MOTION FOR ATTORNEYS' FEES, COSTS, AND SERVICE AWARD

I, Maureen Harrold, declare as follows:

1. I am the named Plaintiff and proposed Class Representative for the proposed settlement in the above-captioned action. I am providing this declaration in support of Plaintiff's Unopposed Motion for Attorneys' Fees, Costs, and Service Award.

2. I am an adequate class representative. I have actively participated in the prosecution of this case since I directed that it be filed in 2017, and I have assisted my counsel in the interests of the putative California class and now on behalf of the proposed Settlement Class. I am prepared to continue to represent the interests of the Settlement Class with the approval of the Settlement.

3. Before this lawsuit was filed, I obtained my Union Bank account statements and reviewed them with my attorneys for several hours a week over a one-month period. I reviewed and approved the Complaint before it was filed, and later reviewed and approved the First Amended Complaint. I approved my participation in the arbitration proceeding that occurred during this action. Throughout the lawsuit, I actively communicated with my attorneys regarding developments in the case via email or by phone, at times once a month and at other times every other month. I also consulted with counsel regarding the litigation leading up to the completion of negotiations of the Settlement Agreement and Releases that I have now reviewed, approved, and signed. In total, I estimate that I spent approximately 75 hours on these litigation-related tasks over the past six years.

4. When I filed this lawsuit, I assumed the risk that my significant expenditure of time and effort on behalf of the class would yield nothing. In addition, I assumed the risk that an eventual unfavorable judgment would tarnish my reputation.

5. As I understand the circumstances, I do not have any legal conflicts with the Settlement Class. If the settlement were not approved, I am willing to continue to litigate the action for myself and other accountholders, including by answering written discovery, providing testimony at a deposition, and appearing at any hearing or trial that requires my attendance.

6. I confirm that for this lawsuit I have agreed to be represented by The Kick Law Firm, APC, McCune Law Group, Tycko & Zavareei LLP, Kopelowitz Ostrow P.A., and KalielGold

1 PLLP. I have given written approval to their division of attorneys' fees recovered in this action and
2 being reimbursed for litigation costs advanced in this action.

3 I declare under penalty of perjury pursuant to the laws of the State of California that the
4 foregoing is true and correct.

5 Executed on 4/29/2024, at bellflower california.
